

15 May 95

The following bear on declassification of Star Gate:

- CDA Language; specific references to open-world cooperative activities and "DCI Declassification Committee"
- Memo to SRI; informing them of ORD intentions to declassify former CIA association
- Past Video revelations; Numerous references to DIA and CIA activity in this area in open source but none officially acknowledged.
- DIA responding to CIA request for declassifying program elements and DIA's "fact of" Star Gate program, and references to CIA declassification authority under executive order 12598
- FOIA and PAR requests from Targ
- Pending press attacks
- Declassified "Studies in Intelligence" article by Ken Kress
